## What's In A Kit?

<b>3 or more Projects</b>	<b>3 piece Cutter Set</b>	<b>Project Supplies</b>	<b>How To's</b>	<b>Parent's Pages</b>	<b>About Pages</b>
Each project is a step by step tutorial with full color photos to complete a fun project	Most kits will include one of Makin's® 3-piece shape cutter sets. If the kit doesn't have a cutter set, there will be an item included such as the Stamp Set in Kit #4	There will be various products included such as texture sheets, barrettes, magnets... whatever is needed to complete the projects in the kit.	In addition to the Project Pages, there will be various pages such as How To's: which are sometimes projects in themselves. Examples would be How To: Make a Mobile How To: Make a PVC Box How To: Set Up Your Studio How To: Mix Clay	Parent's Pages will be included with Safety Information and descriptions of various products that would be a fun addition to your child's supplies all available for 20% off.	About Pages have information such as About: Tools About: Clay Facts and more.

Each Project, How To:, Parent's and About: Pages will be printed on card stock with holes to let you add them to the cover pages you receive in Kit #1. The pages can be joined with book rings (included in Kit 1) making it easy to flip to whichever page you want to read.

Each Club Member and parents will be able to access a secure area on PolyClayPlay.com where additional information will be available.
