Variations

Please remember, these are all hand-made so they will not be exactly as pictured.

Choose your design from one of the pictured sets. Choose your colors. Your colors will be substituted for the colors in the design you choose. For example, if you choose "Hearts All Around" and your colors are Red, Silver and White, if you order it, your box will be red with white hearts instead of blue with white hearts. Your chips are made with the three colors you choose... swirled together.
