This Project is great for a quick gift your friends and family will love! Personalize each set for the people you are giving them to or even better, make one to give away and one to keep for yourself!

Make them as Graduation Gifts... personalized with the graduates school colors and slip in a little cash for them to take to college! The sets make Great Christmas Gifts!

The Compact/Mirror Kit comes complete with enough supplies to make two sets...  
Two Mirrors and Two Mirror Cases  
You only need to supply the clay!

The Kit also comes with Two Project Instructions.

Poly Clay Play Club Members received projects different from the ones in this kit! Join the club and get fun projects every month!!
