Makin's Professional™ Ultimate Clay Extruder™ Disc Guide

Complete Guide for Makin's Professional™ Ultimate Clay Extruder Discs
 Go to Trish's Tutes in the Artists Corner for instructions to make a handy
 Magic Magnetic Box to hold all you discs and clay blades too.

This guide is ordered by shape and includes all the dies available for the Makin's extruders
 including the discs that come with the individual
 extruders as well as the three additional disc packages.

* Updated Numbers per Makin's - August 30, 2009
